information I sent to him.

I am sorry I have not read any of
your books, as I am mainly
interested in anthropology - Geo-
mology and their connection
with theology. (Very close to
Van Dine's "Hobbs" but I feel
I am closer to the truth than
he is. At least I have so many
possible explanations for many
of the so called mysteries of the
Bible and in geology that I feel
scientists and theologists will
have to prove me wrong. In fact
so much circumstantial evidence
that any person would be convinced

Mr. Harold M. Sieberg

Dear Sir:

Thank you on the Jim Carson radio
talk show, but only the last part
of the call.

All of those years a bit of uniform -
ation has stuck in my mind
about the murder of Prob. Kennedy.

At the time those seemed to be
many hints that maybe the
Mafia had a hand in this affair,
perhaps on a contract. So you
know the Mob rises from men
to run their night clubs and
other businesses - and finally was
in charge of a night club - and
probably responsible for carry-
ing out the contract. The reason
to look to Bill Oswald? Being
so near the "alley" or red running
